CURRICULUM VITAE

ABHISHEK KUMAR PATEL

☐ **Email**: patelabhishekkumar423@gmail.com

☐ **Mobile**: +91-9117113423

☐ **Current Job: Software Developer at Quale Infotech Pvt Ltd.**

Professional Summary

Frontend developer with **3 years of professional experience** specializing in **Angular** development. Proficient in building scalable, responsive web applications using **Angular, HTML, SCSS, CSS, JavaScript, and TypeScript**. Adept at UI/UX design, performance optimization, and integrating REST APIs. Strong understanding of frontend architecture, responsive design, and cross-browser compatibility. Enthusiastic about clean code, modern tooling, and delivering seamless user experiences. Additionally, familiar with Python for scripting, automation, and backend integration tasks.

Work experience

Work Experience:

Quale Infotech Pvt. Ltd.

Software Developer | Nov 2022 - Present

- Led frontend development for **Aiwozo Work Zone**, an Intelligent Document Processing (IDP) platform, using Angular 12 and later upgraded to Angular 16.
- Built dynamic UI components for document upload, classification, and AI-driven data extraction.
- Integrated frontend with REST APIs for OCR and machine learning services.
- Collaborated with backend, RPA, and AI teams to enhance user experience and maintain high performance.
- Delivered clean, modular, and maintainable code, improving application responsiveness and reducing load times.

LTI Mindtree

Angular Developer | Apr 2022 - Sep 2022

- Designed and implemented intuitive and responsive UI pages using Angular and Bootstrap.
- Focused on optimizing performance and ensuring cross-browser/device compatibility.
- Conducted code reviews and worked in agile sprints to meet project goals.

Skill:

- **Languages & Frameworks:** AngularJS, Angular (v12, v14, v16, v17), JavaScript (ES6+), Typescript, Python, HTML5, CSS3, SCSS, Bootstrap, Tailwind CSS.
- **Tools & Technologies:** Git, GitHub, Web-pack, Postman, Swagger, REST APIs, Browser Dev Tools.
- **Angular Ecosystem:** RxJS, NgRx (State Management), Component-Based Architecture, Manual Testing in Angular.
- **Practices:** Strong Debugging Skills, Responsive Web Design, UI/UX Design Principles, Cross-Browser Compatibility, Code Optimization, Research & Development (R&D)

PROJECTS

1. Aiwozo DocuBot – Intelligent Document Processing (IDP) Platform
Role: Angular Developer

- Contributed to the frontend development of **Aiwozo DocuBot**, an AI-powered platform that automates data extraction and classification from scanned documents like invoices, KYC forms, government IDs, and more.
- Built Angular components for document upload, data extraction previews, and manual data correction.
- Integrated APIs for AI-based OCR, classification, and image enhancement functionalities.
- Enhanced UI/UX for complex document flows and maintained a responsive, optimized interface.

2. Aiwozo Work Zone – Automation Management Platform
Role: Angular Developer

- Led the frontend development of **Aiwozo Work Zone**, a dashboard-driven platform for managing RPA workflows and automation tasks.
- Upgraded the application from Angular 12 to Angular 16, enhancing performance and maintainability.
- Developed UI modules for workflow tracking, bot status visualization, and task queues.

3. Integration Project – Internal Tooling & Platform APIs
Role: Angular Developer

- Spearheaded the frontend for an internal **integration tool** that connected multiple services across the Aiwozo ecosystem.
- Built reusable Angular components for API-driven UI, handled form-based configurations, and implemented dynamic content rendering.
- Worked closely with backend and QA teams to ensure seamless integration and data flow.

Project at LTI Mindtree
4. Online Tourist Form
Role: Angular Developer

- Designed and developed a responsive Angular-based application for managing tourism-related form submissions.
- Implemented dynamic input fields, validation, and clean UI/UX for an enhanced user experience.
- Ensured cross-device compatibility and performance optimization.

EDUCATION

Bachelor of computer application 2018 - 2021
Aryabhata knowledge university - AKU Patna.

Certification

- Six Week Web Development Course-2023 (Internshala).
- Six Week Angular Training -2023 (Coursera).

PERSONAL DOSSIER

Fathers Name	:	Paras Patel
Date of Birth	:	18th Sept 2001
Sex	:	Male
Marital Status	:	Unmarried
Languages Known	:	English, Hindi & Bhojpuri
Address	:	Pachaura, Siwan, Bihar, 841436

I hereby declare that all the information mentioned above is true to the best of my knowledge and belief.
